Support Your Colorado First Responders

About the South Metro Professional Firefighters Foundation

The mission of The South Metro Professional Firefighters Foundation is to provide Colorado First Responders and their families' assistance in times of serious illness, injury, or loss of life.

We are a local non-profit organization recognized by the IRS for the purpose of raising monies to distribute in these hardship cases. Our foundation has been able to provide funds to firefighters and police officers from Denver Fire, Douglas County Sheriffs, Englewood PD, Aurora Fire, West Metro Fire, Arvada Fire, Cunningham Fire, and our own South Metro Fire. We are one of the largest charity events in the state of Colorado and we know that we cannot do it without the support from our community.

The 2022 "Face-Off" Hockey Tournament will be held at Edge Ice Arena and attended by hundreds of players, families and fans! Combining the silent auction, with team entry fees, this is an outstanding fundraiser benefiting the cause!

The exposure that we provide to our donors is all encompassing, and the funds that we raise are much needed by our recipients. All monies raised from the event this year will go to support the many requests that we get throughout the year. Furthermore, all donations and sponsorship's are tax deductible through the IRS due to our 501c3 charitable foundation status.

We are currently seeking items for our silent auction that will assist us in raising funds for our Foundation. Items can be picked up by a South Metro Professional Firefighters volunteer, or they may be mailed. Please contact Shawn Cummings at 303-877-1474 or shawn.cummings@southmetro.org if you are able to contribute to this great cause!
